

MOTION BY SUPERVISOR DON KNABE

September 2, 2003

The Habitat for Humanity South Bay-Long Beach, a non profit organization, is planning its annual fundraising dinner on Saturday, September 13, 2003 at the South Coast Botanic Garden. The monies raised from this event are earmarked to build homes for the needy. The organization is seeking County assistance with this event.

I, THEREFOR MOVE, that the Board of Supervisors direct the director of the Department of Parks and Recreation and the Superintendent at the South Coast Botanic Gardens to waive the \$1,200 fee for use of the Botanic Garden lawn area, plus the \$300 fee that would be charged for use of the kitchen in the auditorium, excluding liability insurance and the \$42 fee to pay overtime for a staff member to close and lock the gates when the event is over. The Habitat organization has volunteers to perform all clean-up tasks after the event. If this should not be accomplished, a fee for County staff time will be billed to them for services rendered.
